

Itton and Howick Village Hall Update

A huge thank you to everyone who donated items or vouchers and promises for our Auction last week. Thank you too to all those who came along and bid for the items. Our professional Auctioneer Gwilym Richards helped us to raise a staggering sum of over £1,700. We are truly grateful for everyone's generosity. Maintaining our charming Grade 2 listed Village Hall requires substantial investment and the Trustees have a clear plan for upgrading the hall while maintaining its unique charm.

At last week's AGM our Chair of Trustees, Les Ashton-Smith, welcomed those in attendance and thanked those who work so hard to provide a welcoming environment for our community to enjoy such a varied program of events. He also welcomed Richard Pugh onto the board of Trustees.

Looking ahead we are hosting a VE Day celebration this Friday morning, 8th May. Complimentary bacon baps, tea and coffee will be served from 10:00am and the Pathe news reel from the day including Churchill's speech will be played at 10:30 am and again at 11am.

On Friday evening at 7pm there is a Community Disco evening and Bar Night showcasing our very latest Audio Visual Technology courtesy of the recent National Lottery Grant. So dust down those sequin outfits and come along for an evening of music and dance 🎉 🎵 🕺 🍷. There are prizes for the best disco dancer and the best disco outfit.

Looking forward to seeing you on Friday.

The Hall Trustees and Events Committee.
